

## CMVA Atlantic Chapter **Quarterly** General Meeting

**Date:** 4 September 2018

**Location:** Cavendish Farms, Summerside Plant 1, 25531 New Annan, PEI

**Time:** 12:30pm – 3:00pm

### **Meeting Minutes:**

Meeting was called to order at 1:04 pm by Atlantic Chapter President Jesse Lapaire

- Minutes of the previous meeting were reviewed by Matt Firth
- Motion to accept the previous meeting minutes as read by Lee Hall, seconded by Steve Agnew
- 17 in attendance

### **Treasurers Report:**

- There was no official report read at this meeting.

### **National AGM 2018:**

- Discussion was held on CMVA AGM 2018 Vibration 4.0 in Quebec City. Meeting is being hosted by Laval University on October 30/31, 2018.
- Jesse LaPaire put a out a call for presenters from Atlantic Chapter to do Technical Presentations at the AGM
- Accommodation options were reviewed from the CMVA website.

### **Review of Chapter Goals/Update:**

- **Website Update:**
  - Main website is still under construction after it was compromised.
  - At this point the Website is an information outlet for the AGM 2018.
  - No completion timeline has been proposed, but the Chapter will be updated when a date is proposed

- **Update on Bursary Program:**
  - The updated bursary application form has not been sent out as it has not yet been reviewed by Matthew Holmes for 17024 Accreditation compliance.
  
- **Hosting AGM Atlantic 2019?**
  - Discussion was held regarding the success in the past of hosting the annual technical conference in Quebec chapter.
  - Meeting will be held before CMVA AGM 2018 to discuss possibility of Atlantic Chapter hosting CMVA AGM 2019.

#### **Next Meeting Date and Location:**

- SJ Acuren Office was proposed as a potential place to host next meeting. Jesse will contact Dora Orchard to confirm this.
- We would be looking to have several Technical Presentations at this meeting to attract attendees.
- Other possible location was the Mactaquac dam.

#### **New Business:**

1. Question was asked about the schedule for the upcoming AGM. We reviewed the website and there was not a lot of information about the schedule. Matt Firth will email the chapter members when the schedule is updated on the website.
2. Open discussions proposed for chapter meetings about success and failures in predictive maintenance. Matt Firth will attach reminders to meeting notices to remind members to bring topics of discussion to meetings.

#### **Open Discussion**

- Open discussion was held, and several topics were discussed. Topic included route collection times and 30 days seemed to be the most popular interval. Turning outer race of a bearing to limp through to the next outage. Oil and grease compatibility and the separation that occurs if greases are not compatible.

#### **Motion to Close:**

- Motion to close the business part of the meeting by Steve Agnew and seconded by Saikrishna Muthukrishnan

## Technical Presentations

- 1) Technical presentation by Janos Pattantyus on Motion Amplification Technology.

The Chapter would like to thank the folks at Cavendish Farms for providing lunch as well as James Harper and the folks with the confederation bridge for the tour of the bridge.
