---	--	-----------------------------------

Policy

Annually, the CMVA Atlantic Chapter will award a bursary (quantity of bursaries and amount to be awarded voted on at chapter AGM), open to all persons attending a university, college, or other educational institution in the Atlantic Provinces who is enrolled in a program of training for an engineering or industrial trade, which could or does now utilize industrial vibration technologies.

Applications will be rated based on the following criteria:

<p>1. Applicant attending a university, college or other educational institution in the Atlantic provinces, who is enrolled in a program of training for an engineering or industrial trade which utilizes industrial vibration technologies and condition monitoring technologies or non-destructive technologies</p>	<p>Compliant/Non-Compliant</p>
<p>2. Child or spouse of a current CMVA Atlantic Chapter member or a current full CMVA member</p>	<p>10 Points</p>
<p>3. Work Experience related to machinery condition monitoring</p>	<p>0 to 2 points</p>
<p>4. Quality of application (filled in clear, net and legible)</p>	<p>0 to 5 points</p>
<p>5. Answers to the two application questions</p>	<p>0 to 10 points</p>
<p>6. Applicants Marks</p>	<p>0 to 10 points</p>
<p>7. Financial Assistance <small>* (0 points for 100% assistance, 5 points for no financial assistance)</small></p>	<p>0 to 5 points</p>

The chapter shall appoint a bursary chairperson. The bursary chairperson and bursary committee will review and rate the applications based on the criteria above. The bursary chairperson will tabulate the results and determine the winners. In the event of a tie the chairperson will decide the winners.

The application deadline is May 20. The winner(s) will be announced at the June chapter meeting.
