Atlantic	116	55	139
Total Canada	423	271	457

Membership Report: Mark Shoup, National Membership Committee

Prairie Chapter Notice of Meeting

Current discussions:

- Initiative of providing first time CMVA certified analysts (Cat I or II) membership to CMVA has been successful in increasing membership short term, time will tell if these new members renew in 2025.
- Request for membership chairs to compile a list of potential post-secondary institutions with vibration/condition monitoring technology as main course content or specific courses. Find members willing to coordinate and present the already existing presentation created by CMVA. (presentation is being finalized)
- Discuss post-secondary education facilities certification opportunities for students. Looking for opportunities where the post-secondary institute course content meets CMVA criteria for certification. This is a work in progress

Treasurer's Report

Summary:

- Year after year the account is growing.
- *In October there was the deposit from CMVA National of C\$ 660.00 (Membership portion)*
- *The closing balance February 5, 2024, is C\$ 16,247.51.*
- *The monthly fees are still \$ 3.75 a month to maintain the account.*

\$1000 CMVA Prairie Chapter William F. Eckert Memorial Bursary on CMVA website.

As a reminder, individuals presenting at chapter and national events or deciding to help on a Chapter Executive Committee or National Board of Directors will earn valuable points towards recertification.

National Directors from Prairie Region: Jeff Down, Gurwinder Bhambra and Jaret Marshall.

National Updates: by Executive Director Ken Keith.

TBD

CMVA Annual Technical Conference and Trade Show Quebec City, Quebec
It is with great enthusiasm that we invite you to the 41st CMVA Annual Technical Conference on October 22, 23, 24, and 25, 2024. An in-person event, under the theme Training, Networking & Technology for Industry.

New Business: Members bring forth other items to discuss. Possible new motions.

- Mark Shoup - Idea of chapter member spotlight at each meeting

Bursary Information from CMVA website

Prairie Chapter Notice of Meeting

The Prairie Chapter has a \$1000 William F. Eckert Memorial Bursary. Chapter members are invited to request a revision at any Chapter Meeting to change the amount of the bursary and/or the number of bursaries to be awarded. The first bursary was in 2009.

The bursary shall be open to any resident in the Prairie Chapter Region attending a university, college, or other technical institution in Prairie Provinces who is enrolled in a program of training for an engineering or industrial trade, which could or does now utilize industrial vibration and/or condition monitoring technologies. Deadline to submit application, yearly: October 1st.

Next Meeting: March 20th, 2025, Location TBD

Technical Session: Introductions by: Gurwinder Bhambra
Repetitive Shaft Fatigue Failures by Alexandre Gauthier 2:45 – 4:00 pm

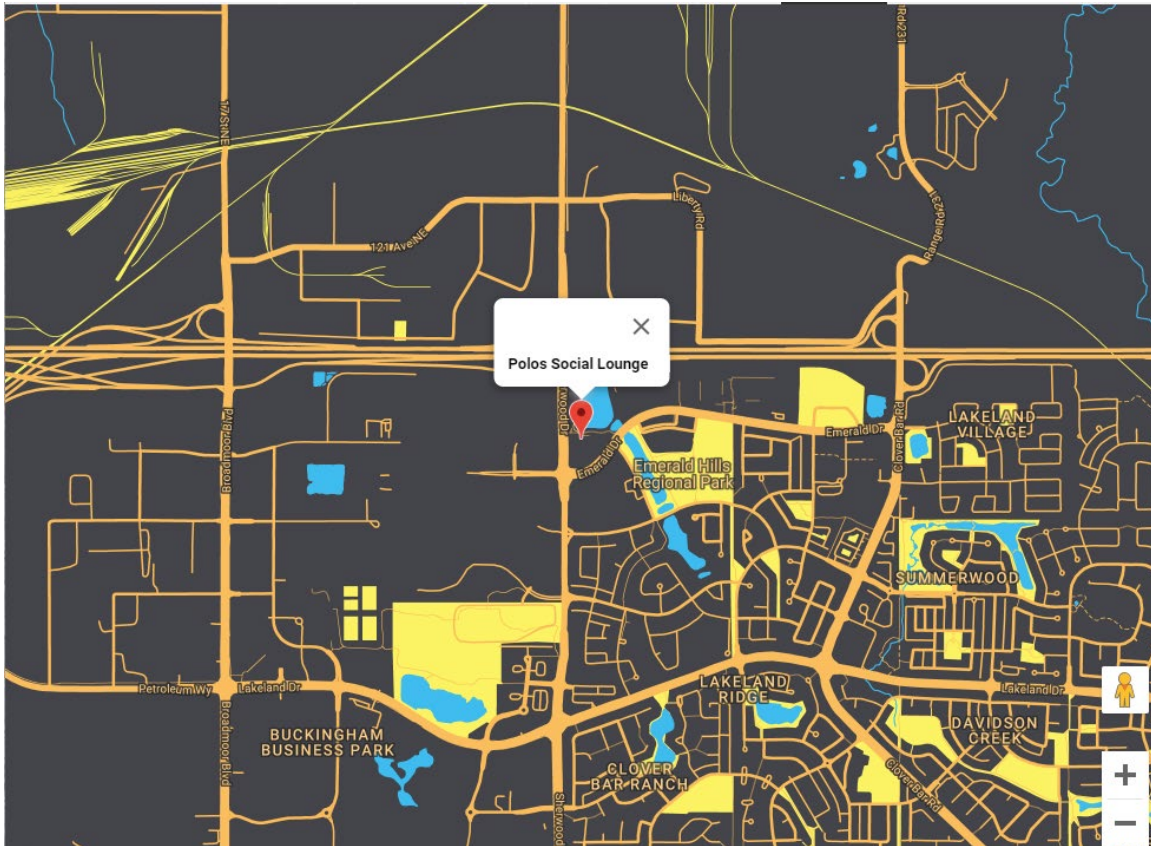

Optional Post Meeting Dinner: Included in the RATS agenda
